

YEAR 9 & 10 STUDENTS

Get ready for a trade with a sample course

Construction Training Fund (CTF) and South Metropolitan TAFE in partnership are proud to offer a hands-on 3-day intensive course for secondary school students interested in a career in the building and construction industry.

Program schedule is overleaf and include 3-day courses in:

Rockingham campus

Bricklaying / Rendering

Bricklaying / Tiling

Carpentry / Bricklaying

Peel campus

Carpentry / Bricklaying

Painting / Bricklaying

During the program students will:

- Follow work instructions in accordance with safety plans and policies
- Handle and prepare building & construction materials
- Use building & construction tools and equipment
- Undertake a building & construction practical project.

These programs are fully funded by CTF and there will be no tuition or material fees for secondary students. These courses include a selection of skills taught in the following qualifications:

Certificate II in Building and Construction (Pathways)
52824WA

**EXPRESSIONS OF INTEREST, PLEASE CONTACT
YOUR VET COORDINATOR,
Mrs Heidi Seymour**

**Closing Date for Applications, Friday 28 February
2020**

Essential student resources

All students must wear safety boots and appropriate clothing (e.g. trousers and shirt)

Minimum entrance requirement

Year 9-10 students who are interested in employment in the construction industry. Course numbers are a minimum of 12 students and maximum of 16. Numbers must remain between these guidelines throughout the whole course.

School requirements

Schools are recommended to organise on site supervision for all 2/3 consecutive days of delivery.
