

Primary Swimming Carnival 2020 Programme

Welcome to the first Primary Swimming Carnival!

This year we are trialling a half day Swimming Carnival. Depending on how this year proceeds, in 2021 we may hold the Primary and Secondary Carnivals on different days. This will be communicated to you in 2021.

When students arrive at school the class register will be taken, and students will travel to the Mandurah Aquatic and Recreation Centre (MARC) by bus.

Once students and staff arrive at MARC, teachers will guide students to their House Bay. Students will begin preparing for the first events.

House teachers will have a record of the parental permissions given. However, no student will be forced to participate. Non-swimmers are encouraged to support their House and enjoy the morning.

The swimming events will take priority with novelty 'fun' events being included if there is time.

The WACSSA Interschool Swimming includes 50m races only.
